The Advanced Perinatal Mental Health Psychotherapy Training course uses an evidence-based curriculum designed for mental health and psychotherapy providers who have previously completed at least fourteen hours of perinatal mental health training. This advanced training covers differential diagnosis, evidence-based psychotherapeutic approaches, and advanced therapeutic issues. It combines expert presentation with case studies, group discussion, and practical examples of treatment approaches.

Continuing Education

APA: Postpartum Support International (PSI) is approved by the American Psychological Association to sponsor continuing education for psychologists. Postpartum Support International (PSI) maintains responsibility for this program and its content. Up to 6 hours of credit available.

NBCC: Postpartum Support International has been approved by the National Board for Certified Counselors (NBCC) as an Approved Continuing Education Provider, ACEP No. 6765. Programs that do not qualify for NBCC credit are clearly identified. Postpartum Support International is solely responsible for all aspects of the programs. Up to 6 hours of credit available.

NASW: This program is Approved by the National Association of Social Workers (Approval # 886708348-6742) for 6 continuing education contact hours.

AOTA: PSI is an approved provider of CEUs by American Occupational Therapy Association (AOTA), Provider #11342. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA or indicate AOTA approval of a certification or other professional recognition.
